#### Purchase Agreement & Terms:

Star Building Carports reserves the right to correct any balance/pricing errors. Orders over \$20,000 require a 50% payment to be made when installation is scheduled. Personal checks are NOT accepted as a form of payment. Final payment must be made in the form of a cashier's check. The customer is required to show proof of final payment prior to install. If a card is being used for the final payment, the office must have the card number on file prior to install. Star Buildings & Carports holds the right to repossess any buildings not paid in full upon installation. If repossession is not an option, a lean will be placed on the property. The customer is responsible for obtaining building permits, if required. Proof of permit must be submitted before installation is scheduled. The customer is also responsible to verify there are no pipelines, gas lines, or water lines on installation site. In addition, there should be no electrical wires less than 15 feet above building site. Star Buildings & Carports is NOT liable for any damages caused during installation if pipelines, gas lines or water lines are not marked. The installers will charge the customer a labor fee for any additional labor such as cutting posts to level carports, building over objects (ex. RVs, mobile homes, etc.) or for leveling your land. If any additions are made after the building is completed, there will be a return fee, plus the cost of addition. Star Buildings & Carports is not responsible for changes in scheduling due to weather, lack of permits, accidents or unexpected extended installation times from previous customers. Customers should note that the installers will arrive in a heavy duty truck with a commercial cargo trailer. They require clear access to the location of installation. If the location can not be accessed directly and materials have to be carried in, there will be an additional labor cost. Regular and Boxed Eave Roofs over 35' long will not be covered by warranty. All Vertical Roofs are covered by warranty. A copy of the warranty can be obtained through the dealer or by contacting Star Buildings & Carports.

By signing this form, the customer agrees with all of the above specifications, and understands that deposit on building is non-refundable in the event of cancellation after 72 hours upon order of building. Should you need to cancel your order, you must contact Star Buildings & Carports. Orders that are canceled through the dealer and not through Star Buildings & Carports will result in a 30% charge to the customer.

**NOTE: 3% Fee for Debit card & Credit card processing of each credit card & debit cards transaction.**
