### Things You Should Know...

United Metal Buildings (hereinafter "UMB"), is not responsible for permits, covenant searches, or restrictions. Please contact your local Buildings Inspector or Homeowners Association for information and notify our company of any requirements for which we must comply. **The installation site must be level to qualify for our free installation, if it is not, it is the buyer's responsibility to cover any additional labor and/or provide the materials necessary to make it so.** Prior to installation, please have any underground cables, gas lines, or any other utility lines located and marked. **UMB will not be responsible for any damage to underground utility lines. No warranty is provided for leaking at the base rail.** NO MORE than the required deposit amount and such payments will delay the process of your order until those funds have been paid in-full to UMB by the dealer. Paying in full to the dealer will not speed up your installation date. **ALL DEPOSITS ARE NON-REFUNDABLE AND VALID FOR 1 YEAR.** Please be advised that installation times are subject to change due to contractor availability and weather conditions. If the contractor is unable to complete your job due to site complications, or inaccurate measurements a \$100 return fee (non-tax) will apply. Any returned checks or refunds for over-payments made by credit card will incur a 5% fee. Payments made by credit card will incur a 3.5% fee. **MAKE ALL CHECKS PAYABLE TO UNITED METAL BUILDINGS.**

**THIS ESTIMATE IS NOT GUARANTEED** The price named in the estimate is an approximation of the project requirements as described by the buyer. The actual cost may change after all of the project elements have been reviewed and finalized. The buyer will be informed of any changes in cost in advance. Buyer agrees that the balance shall be due and payable in full at the time of installation. If balances due and owing at the time of installation are not paid in full, buyer shall be in default under this agreement and subject to a \$50 late fee. As its sole discretion UMB may assess interest at a rate of 18% per annum on any unpaid balance. In the event of any unpaid balance buyer agrees to allow UMB access to the property to repossess the building. Buyer agrees that in the event of any default under this agreement, buyer shall be responsible for the reasonable collection agency costs, any attorney's fees and cost incurred because of the default. JURISDICTION, it is expressly agreed that in any dispute, suit, claim, or legal proceeding of any nature arising from the obligations under this agreement, shall be filed in a court of competent jurisdiction in Whiteside County, Illinois and be controlled by the law of the State of Illinois. **UMB reserved the right to terminate this agreement at any time. UMB must approve all pricing before contract is valid.**

I have read and completely understand the above information and give my approval for construction of the above.
